# Innovative SME Seal

The Ministry of Science, Innovation and Universities, through its General Directorate for Research, Development and Innovation, has awarded our company with the SME Innovative seal.

An SME will be considered innovative when any of the following circumstances occurs:

**a) When it has received public funding in the last three years, without having been revoked due to incorrect or insufficient execution of the financed activity, through:**

- Public calls within the framework of the VI National Plan for Scientific Research, Development and Technological Innovation or the State Plan for Scientific and Technical Research and Innovation.
- Aid for the realization of R + D + i projects of the Center for Industrial and Technological Development.
- Calls for the 7th R & D + i Framework Program or the Horizon 2020 Program of the European Union.

**b) When it has demonstrated its innovative character, through its own activity:**

- By having a proprietary patent in operation in a period not exceeding five years prior to the exercise of the bonus right.

- Having obtained, in the three years prior to the exercise of the bonus right, a motivated positive binding report for the purpose of applying the deduction referred to in article 35 of the consolidated text of the Corporate Tax Law, approved by the Royal Legislative Decree 4/2004, of March 5.

**c) When you have demonstrated your capacity for innovation, through any of the following Official certifications recognized by the Ministry of Economy and Competitiveness:**

- Young Innovative Company (JEI), according to the AENOR Specification EA0043.
- Small or innovative microenterprise, according to the AENOR Specification EA0047.
- Certification in accordance with standard UNE 166.002 «R & D + i management systems».

**INNOVATIVE SME**

Valid until Dec 4th 2021
